Fax form to: 725-725-3585
Mail form to: Pahranaagat Valley FCU
Box 419
Alamo, NV 89001

If you have any questions, please call 775-725-3586.

We wish to continue to help with Christmas expenses and the financial struggles in our economy by offering our deferred payments program. We will only charge a \$30 fee for each loan you wish to defer the payment on. This is a FEE it will not be applied to your loan!

Criteria to qualify and information you must know to defer your payment!

- Interest will continue to accrue during the month you choose to defer (November or December).
- Deferring a payment may result in higher total finance charges on your loan.
- Therefore, it may be necessary for you to make extra payments after the loan otherwise would have been paid off.
- Deferring payments will extend the term of your loan.
- When you make your next scheduled payment, you will notice that the interest charged will be greater than normal. This is because you would not have paid any interest since your last regular payment because you deferred December's payment.
- You must be current on your loan to defer your November or December payment and you must not have had a loan extension for three months prior to the month you defer, nor may a brand-new loan be deferred!
- **NO MORTGAGE LOANS MAY BE DEFERRED!**
- You must return this form filled out along with cash, check, or authorization to do an automatic withdrawal for the fees before noon on December 29, 2023.

Defer your November or December loan payment! (Must be filled out, paid, and returned before noon on 12/29/2023 – no exceptions!) Yes, I'd like to skip my November or December loan payment!
